Consent for Equine/Canine Bodywork

*I hereby apply for equine/canine bodywork and massage therapy. I understand that the intent is to improve the functionality of my horse and/or dog's body; **however, the work is not represented as a substitute for veterinary care.***

I recognize that the process of this treatment necessitates that my horse and/or dog's body be touched, and I give permission to Angie Gaudy, to touch my horse and/or dog's body. This consent form will apply to all equine/canine bodywork sessions from this date forward unless revoked in writing.

I understand that Angie cannot diagnose illness or lameness, nor can she prescribe treatments or medications, herbal or pharmaceutical.

To the best of my knowledge, I have given Angie all information of my horse and/or dog's health that I believe bodywork could effect, such as injuries, illness, surgeries, skin conditions and allergies. I agree to update Angie with any new information before each equine/canine bodywork session.

Angie reserves the right to reschedule an appointment if a horse and/or dog is presenting any conditions or behaviors that would be contraindicative to bodywork.*

I agree to accept financial responsibility for any appointments and am aware that there is a \$50 fee for missed or cancelled appointments without 24 hours notice.
